10s Go Fish—

This game is played just like “Go Fish”.

Deal 5 cards each.

Instead of asking for a card to match your card, you have to ask for a card that would add with one of your cards to make a sum of 10.

If you do not have the card asked for, you tell them to “Go Fish” and they take a card from the center pile.

The first player to have no cards left in their hands, wins.
